

DUNTROON HIGHLANDS GOLF

BACK SHOP/OUTSIDE SERVICES

Overview

Nestled on the Niagara Escarpment and near Collingwood and the Blue Mountains, Duntroon Highlands Golf Club acts as a gateway to Ontario's most popular four-season playground. The challenging par 71 course boasts Ontario's highest driving range and its tees are famous for their spectacular views of Georgian Bay.

Since it first opened in 1986, the golf course has drawn an increasing number of golfers each year, becoming one of the most popular golf courses in the Collingwood and Blue Mountain region. Duntroon Highlands casual, friendly atmosphere has made it a favourite for golfers looking for a more adventurous course. It plans to continue expanding on this fun atmosphere with new experiences at the forefront of the resurging popularity of the game.

Job Description

Reporting to the Head Pro and Director of Operations, the back shop position is responsible for front-line customer service. This includes greeting and welcoming members and guests, as well as golf cart cleaning, golf club cleaning, range picking and set-up, and bag storage. This role will also assist with preparation and set up for tournaments and other duties as assigned by the golf professional.
